 Recommended Exhibition List

UNIVERSITY
 of
 GREENWICH

All students attending Design & Communication 2 on Thursdays have three weeks (3 Thursdays) dedicated to visit galleries and exhibitions.

- You need to fill an A4 sketchbook entitled *Gallery & Exhibition Notebook*.
- This notebook will be submitted for marking and will be 25% of the visual studies portfolio.
- The book must show evidence that you have visited the galleries and have considered the work in depth. We want to see a *critical appraisal*. **Make notes, take photographs and draw.** Why do you like or dislike the work?
- Discuss the resonance of the piece, the space it occupies, how the work compares with similar artists working in the same genre, the materials used to construct the piece.
- Your design tutors may also recommend exhibitions for you to visit – use the same notebook.
- Details of these exhibitions can be found on www.newexhibitions.com
- **Don't forget to take a photograph of the gallery and show proof that you have visited it.**
- Have a good time!
